Att: TECHNOLASE

Dear Dr Johann Op 't Hof

Thank you for the assistance you have provided with my laser machine. Technolase has provided exceptional service and has in-depth knowledge of laser machine technology. They have assisted my clinic tremendously with prompt repairs at a very reasonable price. TECHNOLASE has been operating for many years and I feel confident that they have the experience needed to service very expensive laser devices.

Dr Op 't Hof has always been able to provide advice and after-sales assistance to the clinics that I own. He has gone above and beyond my expectations. I would certainly recommend TECHNOLASE to all my colleagues.

Kind Regards

Dr Altaaf Parker
